The Taste of the Arts festival is a celebration of inspiration designed to promote our wide variety of arts and culture organizations as well as local restaurants. Admission to the festival is free to encourage residents to come and learn about greater Fort Wayne’s diverse and interesting programs. Through sponsorships and food sales, this event serves as a fundraiser for emerging needs—this year we will supplement an arts education grant program for schools to cover field trip costs or artist-in-residencies.

This is a great opportunity for you to reach a new audience. Nominated as one of the year’s best festivals after its debut, we are certain this will become an annual family tradition and you can be a part of the excitement!

There are two option for food booths: operate from noon until 7 p.m. during the main event or stay for “Dessert” a party featuring professional bands after the Taste; these hours are noon until about 10 p.m Each area will have a beer/wine garden, these are determined on a “first come first served” basis. Arts United reserves the right to assign booth space to ensure there is ample variety and less duplication in menu items in each restaurant group.

To be included in as much publicity as possible for the event, this form, the vendor liability agreement and event deposit are due **June 1**. Final menu and certificate of insurance are due August 1.
